

Running in spirals, here today, tomorrow in the many points which comprise "there". Yesterday it was the back of some head, slithering into the other end of the Celtic spiral, especially since this kind of spiral is endless. Life and the next moment there you are, slithering into the other end of the Celtic spiral, especially since this kind of spiral is endless. Life and the next moment there you are, slithering into the other end of the Celtic spiral, especially since this kind of spiral is endless.
